

[Haining Chuangxing Warp Knitting co. ltd](#), established in 2002, located in the beautiful city Haining, which is in Zhejiang province. covers an area of 160,000 square feet, employs over 100 people. It is a comprehensive enterprise with designing, developing, producing and selling. We mainly produce super soft velvet, short pile velboa, spandex super soft velvet, tricot corduroy, twill velvet, mesh, plain cloth, golden velvet, tricot brushed, alboa (including laminated, double-side, jacquard, burnout, embossed, bronzing, printed etc.), which are widely used for suits, leisure clothes, sofa, home textiles, [curtains](#), shoes, hats, toys, etc. We produce more than 20,000,000 meters of warp knitting fabric every year. Chuangxing covered an area of 17,800 square meters, We also have more than 60 sets advanced equipment which were imported from Germany, including the high speed "KARL MAYER" warp knitting machines and all other finishing equipment. We have already passed the Bureau Veritas Certification. Meanwhile, we lay great stress on training and developing talents, we work hard to offer a good surrounding and prompting system to them, Welcome to our company to inspect, negotiate and cooperate. We have a strong R&D team, and we can develop and produce products according to the drawings or samples the customers offered. We can offer the price and products directly. We have our own testing lab and the most advanced and complete inspection equipment, which can ensure the quality of the products. Our annual production capacity is over 10,000 pieces, we can meet the needs of different customers with different purchase quantity. We focus on developing high-quality products for top-end markets. Our products are in line with international standards, and are mainly exported to Europe, America, Japan and other destinations around the world. Our location are close to the Ningbo Port, it is very convenient and efficient to ship goods to any other countries.
